

FedRooms.com

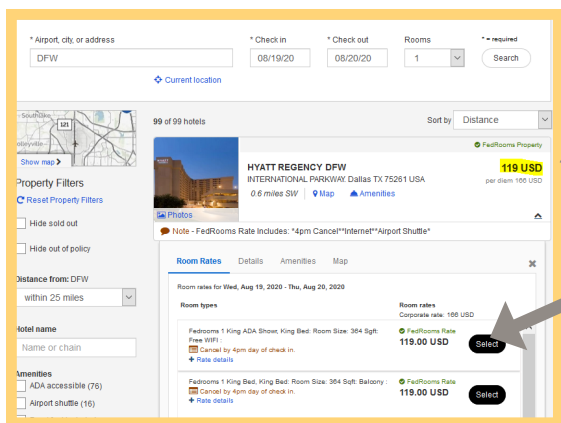

booking tool enhancement

PREVIOUS DISPLAY

Used to display the **FedRooms rate negotiated**, which is the highest rate that the property can load and must be at or below per diem.

UPDATED DISPLAY

Now shows the **lowest rate available**.
The FedRooms rates in the "room types" section will now **always reflect the lowest FedRooms rate available**.

BENEFITS TO THE TRAVELER

- **Sort properties by price** when selecting where to stay and have an accurate number for comparison
- **Understand the market price** for the properties in the area during the time of your trip
- Use the booking tool for **competitive shopping of rates available** for your stay

PLEASE NOTE: Fedrooms.com is your market research tool and a secondary booking option. First book through your preferred booking tool, ETS2 (ConcurGov or E2 Solutions) or the Defense Travel System (DTS)/ Defense Travel Modernization (DTM).
